Why UpSkill?

- ❑ **Neuroplasticity:** As we learn more, our brain grows and keeps us healthy!
- ❑ **Adaptability:** Change is the only constant. Knowledge is truly power in this ever changing technology paradigm
- ❑ **Perfectionism:** is the enemy of learning. Learning is about knowing, not being perfect at it

AWS Activate

If you're a startup founder looking to scale your startup, this is a one-stop shop! Get upto \$100,000 in AWS activate credits towards your AWS service usage

The screenshot shows the AWS Activate website with the URL aws.amazon.com/activate/. The page features a navigation bar with links to various AWS services and a main heading that reads "It only takes a few minutes to apply to join AWS Activate:". Below this, there are three steps outlined with icons and descriptions:

- Step 1:** New to AWS? First, create a free AWS account. Have an AWS account? Skip to Step 2. (Button: Create an AWS account)
- Step 2:** Join Activate after you've logged into your AWS account and immediately access benefits. (Button: Register here)
- Step 3:** When you're ready, apply for up to \$100,000 in AWS Activate credits and receive notification of the outcome within 7-10 days! (Button: Apply for Credits)

At the bottom, there is a section for "AWS Activate Providers" which states: "If you are a venture capital firm, accelerator, incubator, or other startup-enabling organization interested in providing AWS Activate Portfolio benefits including credits to your startups, complete the online form and an AWS representative will be in touch. If you are a startup interested in applying for AWS Activate credits and you are backed by a startup-enabling organization ask them for their Activate Organization ID."
